WORK EXPERIENCE

Chicago Metropolitan Agency for Planning (CMAP)

May. 2026 – August. 2026

GIS Transportation Intern

Chicago, IL

- Developed and implemented ArcPy/Python scripts to automate data entry workflows for CMAP's On To 2050 Travel Demand Model and small area traffic forecasts.
- Developed SQL scripts to update CMAP's PostgreSQL odometer database with 2025 readings.
- Utilized ArcGIS Pro to build a comprehensive northeastern Illinois freight and commuter rail inventory map.
- Produced monthly small area traffic forecast reports with Microsoft PowerPoint and ArcGIS Pro.

Roselle Public Works

May. 2025 – August. 2025

GIS Intern

Roselle, IL

- Digitized 4000+ water buffalo boxes, main breaks, pipes, and curbs with ArcGIS FieldMaps.
- Carried out door to door municipal operations such as water lead testing and construction notices.
- Supported concrete installation, water sampling, JULIE Before You Dig inspections, and main break repairs.

Home Run Inn

July. 2022 – Present.

Busser/Cashier

Darien, IL

- Responsible for ensuring all cleaning and maintenance tasks are complete for closing.
- Provides friendly customer service while handling transactions.
- Designated trainer for new Busser hires.
